Very good	8 points (80 – 89%)
Good	7 points (70 – 79%)
Fine/pass	6.5 points (66 – 69%)
incomplete/redo/fail	below 6.5 (64%)

- ¥ make sure you answer the question i.e. you have read it properly
- ¥ answers should be in your own words with quotations/extracts from other sources (books, websites) clearly referenced (there is a course document on the website called 'citations and plagiarism' detailing how to reference sources properly)
- ¥ where appropriate, and particularly for teaching homework, answers need to show that you have reflected on the question in the light of your own experience
- ¥ markers will use the word marking scheme rather than points i.e 'excellent' rather than 9/10
- ¥ Markers will give you constructive feedback on various aspects of your homework. They will write a brief overall comment detailing what you did well and teaching and learning points to improve your understanding where applicable.
