

# srotrakasayoh-sambandhasamyamat-divyam srotam

Sutra 111-41

SROTRA	ear and function of hearing (SHRO = to hear)
SHRUTI	oral transmission of things that have been given to one or more people.
AKASA	ether, space, infinite, from the root KASH=to shine. 5 senses of perception, most subtle is hearing= touch= vision= taste =smell correspond with the elements: ether, air, fire, water, earth
SAMBANDHA union	SAM - completely, bandha from root bandh - to tie together, connection, relationship,
SROTAM	hearing ability
DIVYAM	DIV - resplend, celestial, divine, supernatural Listening to the universe of sound. Not tangible, audible. Resonance of the universe. When do I have selective hearing
when	listening to others?
